## SPECIFICATIONS FOR UNIFORMS

### ARLINGTON FIRE DISTRICT

#### **GENERAL INFORMATION:**

Trade or brand names used in this specification are for the purpose of describing and establishing minimum requirements of construction and shall not prohibit the bidding of other items that are of exact or superior standards. Bidders shall state their intention to substitute with their bid proposal and provide sufficient supporting data to demonstrate equivalence. Purchaser shall be the sole judge of the garment that is most advantageous and that decision shall be final.

Bidder shall be thoroughly familiar with the specifications contained herein. No additional allowances shall be made because of lack of knowledge of this specification.

Bidder shall have or be an authorized distributor of a manufacturer who has in operation a factory adequate for and devoted to the manufacture of the clothing specified herein. If garments are proposed other than of his own manufacture, the bidder shall provide with proposal a certificate of compliance from the manufacturer that all items supplied meet all requirements of this specification.

The successful bidder shall have the capability of providing the listed clothing and accessories. The bidder shall maintain, on premises, a supply of awarded bid items for emergency purchase replacement. Such purchases shall be supplied in a shorter time frame than the stated 30 calendar days, as described under DELIVERY.

Upon request of the District, bidding vendors shall make available to the District samples of any or all items to be bid, to assure that items conform to the specifications contained herein and to that of existing station wear now in service.

Prior to ordering, successful bidder MAY be asked to supply sizing clothing in all available sizes. All sizing clothing will be returned to successful bidder after order is placed.

**QUANTITIES:**

Yearly estimated quantities of each item to be placed is included with this bid specifications. (See attachment #1). However, each contract shall be for the quantities actually ordered during the contract period. The contract period shall extend for one (1) year from the date of acceptance of bid.

**DELIVERY:**

Delivery shall be made directly to Arlington Fire District Headquarters located at 11 Burnett Boulevard, Poughkeepsie, NY, within a maximum of thirty (30) days from the date of issued purchase order. Delivery is expressed in the number of calendar days required to make delivery after date of purchase order and shall be made in accordance with instructions on purchase order. Any delivery charges must be included in the bid submission.
