FOR IMMEDIATE RELEASE
MAY 16, 2014

**MEMBERS OF ARLINGTON FIRE DISTRICT RECEIVE
EMS PROVIDERS OF THE YEAR AWARDS
FROM THE DUTCHESS COUNTY
EMS COUNCIL**

The Dutchess County EMS Council will recognize the Arlington Fire District as Agency of the Year and two members of the Arlington Fire District as Basic Life Support and Advanced Life Support providers of the year.

Congratulations to all the members of the Arlington Fire District as EMS week approaches. It is the combined effort of everyone, day in and day out, that safeguards our community. All of the membership of the District interdependently works to be collectively ready to manage an emergency when someone is in need.

The individuals chosen for this award were among many submitted for consideration in light of their action, attitude, readiness, dedication, and professionalism, to be honored for their service to the community. The County EMS Council will submit their names to the Hudson Valley Regional Council for recognition in their process of choosing providers of the year from the county level and then potentially on to the State level.

The DCEMSCO will honor these award winners at the next meeting to be held on Wednesday, June 25th 2014 at 7pm at the Dutchess County Department of Emergency Response.

Please take a moment to join me in congratulating:

Advanced Life Support Provider of the Year: Christopher Mills
Basic Life Support Provider of the Year: Matthew Schlossberg
EMS Agency of the Year: Arlington Fire District

Congratulations to *everyone* in the District for their efforts and dedication to making AFD the Agency of the year ~
