BOARD OF FIRE COMMISSIONERS MEETING MINUTES May 15, 2017

ATTENDEES:

Comm. James Beretta - Chairman
Comm. Joseph Armstrong
Comm. José Seco
Comm. Jon Adams
Comm. Blake Williams

Chief: Tory Gallante
District Secretary: Renee O'Neill
Treasurer: James Passikoff

Chairman Beretta opened the Arlington Fire District Board of Fire Commissioners' meeting at 7:00 p.m., reminded everyone to silence their cell phones and took a roll call of the attendees. Everyone stood and recited the pledge of allegiance.

Chairman Beretta wanted it recorded that 1st Assistant Chief John Richardson, as an Officer of the District, applauded comments made by Volunteer Steve Graff and it showed bias against the Board of Fire Commissioners.

II. COMMENTS FROM THE BOARD - *No action(s) taken by the Board, unless otherwise noted*

III. ABSTRACT

Comm. Beretta stated that Abstract 17-5B was reviewed by Comm. Armstrong & Comm. Seco.

A motion was made by Comm. Armstrong that the payment to the Town of Poughkeepsie for the gas fuel bill for April be withdrawn until it's corrected. The number that we owe does not compute in my eye as to what it says on the form that was sent to us than what was put into the vehicle. I don't believe they put in a complete copy of the vehicles that

was fueled for April. That amount of \$301.19 be withdrawn from Abstract 17-5B. Seconded by Comm. Seco.

- Motion Carried, 4 – 0 – 1 (Comm. Williams abstained)

A motion was made by Comm. Armstrong to accept Abstract 17–5B for a grand total of \$16,791.00, totaling 34 checks. This consists of \$1,659.22 in paid bills with a total of 4 checks and \$15,131.78 in unpaid bills with a total of 30 checks. Seconded by Comm. Seco.

Dear Mr. Beretta:

Pursuant to the November 17, 2014 Lease between Croft Corners Fire Company, Inc. and the Arlington Fire District, the Fire District career personnel are permitted in the Fire House from the hours of 7:00 a.m. to 5:00 p.m. Monday through Friday. In addition, "The assignment of additional career personnel shall be subject to further negotiation between the Landlord and Tenant."

Effective January 1, 2017, in anticipation of the execution of a new Lease, the Fire Company authorized the District to increase the staffing to three (3) persons, twenty-four (24) hours a day, seven (7) days a week.

Unfortunately, as you are aware, negotiations on the new Lease addressing the expansion of the Fire District's rights has failed to result in a modified Lease.

Notice is hereby given to the Fire District that effective August 31, 2017, the Landlord will discontinue authorization for the expanded use so that effective September 1, 2017 the District can only man the Fire House with two (2) personnel Monday through Friday, 7:00 a.m. to 5:00 p.m., in accordance with the terms of the Lease.

I thought it would also be helpful to enclose a copy of a Release of Declaration limiting the use of the Fire House. There has been prior mention of a deed restriction, however that restriction is inapplicable due the enclosed Release.

I look forward to discussing these issues with the Board Counsel or in the alternative, I believe a Lease Negotiation Committee of both organizations should reconvene to achieve an acceptable result.

Very truly yours,

STENGER, ROBERTS, DAVIS & DIAMOND, LLP
