A. Chief Adam Kangas

1. Two (2) Seagraves have been delivered at Station 3. Rotating into service shortly. Training Battalion and the Shop has a plan to get them into service.
2. FF Matt Nielson has retired. Need to transfer an amount not to exceed \$135K from the Employee Benefit Accrued Liability Fund for his retirement payout.

Comm. Chiumento made a motion to transfer an amount not to exceed \$135K from the Employee Benefit Accrued Liability Fund. Seconded by Comm. Van Itallie.

- Motion Carried, 4 – 0 – 0

3. Lengthy discussion on Paramedics – has done robust recruiting with trying to get transfers and only received one and he is currently at the Academy. The FF/Medic list with Dutchess County Civil Service list has been exhausted. Had discussions with the Director of EMS and the Union regarding solutions. Proposing to send current Firefighters to Paramedic school next Fall. It gives us time to get staffing levels back up with retirements in the beginning of the year, promotions set in place and would save us on overtime. Governor Hochul has established a scholarship/grant program which the tuition would be free for attendees (approx. \$15K per person). There is currently about 3 or 4 retiring in the beginning of the year. Wants to be ahead of it to soften backfills and overtime.

Comm. Dore supports transfers, having proper staffing and promotions prior to medic school and will save on the Academy with transfers. Comm. Chiumento is ok with a few transfers but is not sold on going to Paramedic school unless there is a commitment and if there is negative consequences should they not become medics. Chief reported that he has had these discussions with the Union and also met with Civil service to discuss the qualifications for Paramedics for the next test. The Board is ok with the Chief vetting transfers.

4. Discussion on Fire Prevention – Battalion Chief Mills will be retiring next year, and Chief would like to start succession planning by detailing one (1) Officer for the month of October to learn the functions of the Fire Prevention office and the Fire Prevention details themselves. We have Officers to replace, (not an addition to), when Firefighters attend Fire Prevention details. One will be an Officer and the other from the Training Bureau, so only

two (2) Firefighters to attend details for the month of October, instead of four (4).

Comm. Chiumento brought up the proposed budget and it needs further review. Received the NYS Retirement ERS and PFRS estimates and the PFRS is \$230K more from what they anticipated. Will need to review the proposed budget again before it can be approved. Will meet one more time. Brief discussion. Treasurer Passikoff believes we should be ok with the health insurance.

5. Thanked Battalion Chief Dunderdale for spearheading the Seagrave closing. He did a tremendous amount of work and all went well.

B. Assistant Chief Eric Philipp
